**Diet** *(May Subd Geog)*
*[RA784 (Personal health)]*
*[TX360-TX360.5 (Special countries)]*
Here are entered works on the food and drink regularly consumed by an individual or group of people. Works on the sum of the physiological processes involved in the assimilation and utilization of nutrients for proper body functioning and health are entered under Nutrition. The latter heading may be subdivided by place to indicate the nutritional status of a group of people in the place.
