Here are entered works on colonies in general and colonialism, subdivided further by Africa, America, Asia, or Oceania, if appropriate. Works on the policy of settling immigrants or nationals in colonial areas are entered under Colonization. Works discussing collectively the colonies ruled by a country or other jurisdiction are entered under the name of the country or other jurisdiction subdivided by Colonies, e.g. Great Britain--Colonies. Headings of the type [country]--Colonies may be further subdivided by the regions and topics that appear as subdivisions under Great Britain--Colonies.

Works on the colonial period of individual regions or countries are entered under the name of the region or country with appropriate subdivision, e.g. India--Politics and government--1919-1947.

Works on the influence of former colonial policies and structures on the existing institutions of former colonies are entered under the current name of the particular region or country with subdivision Colonial influence.

Concertos *(May Subd Geog)*
Here are entered collections of concertos for various solo instruments with various instrumental accompaniments.
Concertos accompanied by full orchestra are entered under the heading Concertos followed by the solo instrument(s) in parentheses, e.g. Concertos (Piano); Concertos (Bassoon and clarinet); Concertos (String quartet). For concertos with accompaniment of an ensemble other than full orchestra, the type of ensemble is included in the parenthetical statement following the word "with," e.g. Concertos (Flute with string orchestra); Concertos (Harpsichord with instrumental ensemble); Concertos (Trumpet with band). For concertos featuring the entire ensemble, the type of ensemble is stated in parentheses as the medium of performance, e.g. Concertos (Orchestra).
Musical works of the concerto type that are not titled "Concerto," are entered under headings such as Concerti grossi; Violin with string orchestra; Symphonies (Viola with orchestra); Variations (Piano with orchestra).
Musical works titled "Concerto" but not of the concerto type, are entered under headings for the medium of performance, e.g. Choruses, Secular (Mixed voices, 4 parts) with cello; Harpsichord music; Trios (Unspecified instruments (3)); Vocalises (High voice) with instrumental ensemble.
Works about the concerto are entered under the heading Concerto.
