Slasher films *(May Subd Geog)*
[PN1995.9.S554]
This heading is used as a topical heading for works about films that feature teenagers or young adults who are stalked and graphically killed by a psychopathic killer, usually in the course of one night. Works about films that feature explicit gore and graphic violence, including mutilation of the human body are entered under Splatter films. When used as topical headings they are subdivided by the appropriate geographic, topical and/or form subdivisions.

Sonata
[ML1156 (History)]
[MT62 (Composition)]
Here are entered general works on the musical form for solo instruments or chamber music combinations, usually in more than one movement and composed between the 17th century and the present. Works on the structure of individual movements in sonata form are entered under the heading Sonata form. Works on the sonata for particular instruments are entered under the heading Sonatas qualified by instruments and with appropriate subdivision, e.g. Sonatas (Clarinet and piano)--History and criticism, Sonatas (Piano)--Analysis, appreciation, Sonatas (Violin and piano)--Encyclopedias.
Musical compositions for one or two solo instruments titled "Sonata" are entered under the heading Sonatas, followed if appropriate by medium of performance.

Sonata form
[MT62 (Composition)]
Here are entered works on the structure of individual movements in sonata form. General works on sonatas for solo instruments or chamber music combinations, usually in more than one movement and composed between the 17th century and the present are entered under the heading Sonata.
UF Sonata-allegro form
BT Musical form
Sonatas
Here are entered miscellaneous collections of compositions for one or two solo instruments. Individual sonatas and collections of sonatas for a specific medium of performance are entered under the heading followed by the medium.
Sonatas for three or more solo instruments are entered under headings for chamber music, e.g. Trio sonatas; Piano quintets; Quartets; String quartets; Trios (Clarinet, harp, percussion); Wind trios.
General works on the sonata as a chamber music form are entered under the heading Sonata. Works on the structure of individual movements in sonata form are entered under the heading Sonata form. Works on the sonata for particular instruments are entered under the heading Sonatas qualified by instrument(s) and with appropriate subdivision, e.g. Sonatas (Clarinet and piano)--History and criticism; Sonatas (Piano)--Analysis, appreciation; Sonatas (Violin and piano)--Encyclopedias.

Songs *(May Subd Geog)*
Here are entered works for solo voice with secular texts. Works with sacred texts are entered under the heading Sacred songs. For works consisting of art songs, this heading is qualified as appropriate by voice range and specification of accompaniment, e.g. Songs (High voice) with piano; Songs with orchestra; Songs, Unaccompanied. For works consisting of songs of ethnic or national character this heading is qualified by the name of the language or language group and subdivided by place, e.g. Songs, French; Songs, English--United States; Songs, Slavic.
For works consisting of songs of an individual ethnic group, additional subject entries are made under the headings [ethnic group]--[place]--Music and Music--[place]. For works consisting of songs of a national group, additional subject entry is made under the heading Music--[place].

[HA (Social sciences)]
[QA276-QA280 (Mathematics)]
Here are entered works on statistics as a branch of learning, as well as works consisting of general statistical data not limited to a specific place or topic, and works on the discipline of statistics. For the latter the heading may be subdivided by place. Works of statistical data on a specific place or topic are entered under the place or topic with the subdivision Statistics.
UF Statistical analysis
Statistical data
Statistical methods
Statistical science
BT Economics
RT Econometrics
SA *subdivision* Statistics *under names of countries, cities, etc., individual corporate bodies, classes of persons, ethnic groups, and topics, and phrase headings for certain types of statistics, e.g.* Criminal statistics
NT Actuarial science
Average
Biometry
Census
Church statistics
Circular data
Commercial statistics
Correlation (Statistics)
Data editing
Data reduction
Degree of freedom
Dimension reduction (Statistics)
Economic zoning
Educational statistics
Effect sizes (Statistics)
Error analysis (Mathematics)
Experimental design
Forensic statistics
Frequency curves
Gambling systems
Graduation (Statistics)
Gross national product
Industrial statistics
Judicial statistics
Large deviations
Library statistics
Linear models (Statistics)
Mathematical statistics
Medical statistics
Military statistics
Numeracy
Outliers (Statistics)
Panel analysis
Political statistics
Random data (Statistics)
Register-based statistics
Sampling (Statistics)
Scale analysis (Psychology)
Seasonal variations (Economics)
Small area statistics
Smoothing (Statistics)
Soccer—Statistical methods
Soccer—Statistics
Spherical data
Standard deviations
Statistical decision
Statistical services
Vital statistics
—Charts, diagrams, etc.
UF Diagrams, Statistical
Statistical diagrams
Statistics—Charts, tables, etc. *[Former heading]*
—Charts, tables, etc.
USE Statistics—Charts, diagrams, etc.
Statistics—Tables
—Computer programs
—Data processing
NT Genstat (Computer system)
INDIOS (Computer system)
S (Computer system)
—Forms
UF Statistics—Forms, blanks, etc. *[Former heading]*
—Forms, blanks, etc.
USE Statistics—Forms
—Graphic methods
[HA31]
UF Diagrams, Statistical
Statistical diagrams
RT Curve fitting
NT Correlation (Statistics)
Response surfaces (Statistics)
Statistical maps
Trend surface analysis
—Standards *(May Subd Geog)*
UF Statistical standards
—Tables
UF Statistical tables
Statistics—Charts, tables, etc. *[Former heading]*
Statistics, Distribution-free
USE Nonparametric statistics
Statistics, Mathematical
USE Mathematical statistics
Statistics, Nonparametric
