Contrastive linguistics *(May Subd Geog)*
Here are entered works which compare or contrast two or more languages with the aim of finding principles which can be applied to practical problems in language teaching and translation. Works which compare languages or groups of languages for the specific purpose of determining their common origin, or discuss the method of their comparison, as represented by 19th century comparative philology and its subsequent developments, are entered under the heading Comparative linguistics.
BT Linguistics

Here are entered works about all types of food preparation, including preparation of those foods that do not necessarily need to be heated. Works about collections of recipes are entered under Cookbooks. Works on cooking in specific places are entered under Cooking subdivided by the name of the place. Works on national or ethnic cuisines and styles of cooking are entered under headings of the type Cooking, American, [Chinese, etc.], which may be further subdivided to designate regional styles, e.g. Cooking, American--Southern style; Cooking, Chinese--Sichuan style; etc. Works on an individual style in a specific locality are entered under two headings, one for the style and one for the locality, e.g. 1. Cooking, American--Southern style. 2. Cooking--Georgia--Savannah.

Cooperative societies *(May Subd Geog)* *[HD2951-HD3575]*
Here are entered works on enterprises or organizations owned by and operated for the benefit of those using their services. Works on the association of persons for their common, often economic, good are entered under Cooperation.
UF Co-operative societies
Co-ops (Cooperative societies)
Cooperative associations
Cooperative distribution
Cooperative stores
Cooperatives
Coops (Cooperative societies)
Distribution, Cooperative
Stores, Cooperative
BT Corporations
Societies
NT Apartment houses, Cooperative
Babysitting cooperatives
Banks and banking, Cooperative
Bus lines, Cooperative
Consumer cooperatives
Cooperation—Societies, etc.
Dairying, Cooperative
Electric cooperatives
Federations, Financial (Social service)
Fire clubs (Cooperative societies)
Local exchange trading systems
Marketing cooperatives
Meadow companies
Newspaper cooperatives
Producer cooperatives
Recycling cooperatives
Rochdale system
Student cooperatives
Taxicab cooperatives
Textile cooperatives
Tort liability of cooperative societies
Women in cooperative societies
—Accounting
UF Cooperation—Accounting
——Law and legislation *(May Subd Geog)*
——Problems, exercises, etc.

Cosmopolitanism *(May Subd Geog)*
[JZ1308]
Here are entered works on the belief in, and pursuit of, an individual lifestyle that reflects the desire or ability to incorporate manners, social and political customs, and languages from many places in the world. Works on the doctrine that the focus of political activity should be the univeral human condition rather than the narrow interests of a particular nation are entered under Internationalism.

Here are entered works discussing pidgin languages that have become established as the native language of a speech community. Works discussing lingua francas which are native to none of those using them and are characterized by a simplified grammar and often mixed vocabulary are entered under the heading Pidgin languages. Works discussing auxiliary, sometimes mixed, languages used among groups having no other language in common are entered under the heading Lingua francas. Works discussing languages resulting from the intermingling of phonological, grammatical and/or lexical elements from different languages in areas of intensive language contact are entered under the heading Languages, Mixed.
