

Descriptive Cataloging Using RDA

Exercise 4 -- Identifying Works

What is the *authorized access point* for the following works, based on LC policy (“differentiate works if the authorized access point is the same”)? Give the MARC tags used in a bibliographic record: 1XX/240/245. The only conflicts in the database are the ones indicated below.

- a. a journal with the title proper “Advances in astrophysics”

- b. another journal with the title “Advances in astrophysics” that began in 2009 and is published in Boston

- c. a book by Susan Smith with the title “Spain and Portugal”

- d. a book with no known authors with the title “Spain and Portugal” published in 2008 by ABC Press

- e. another book with no known authors with the title “Spain and Portugal” published in 2011 by DEF Press

- f. a compilation of works by Roberto Lopez with the title “Complete works”

- g. a compilation of works by different authors with the title “Outstanding plays” published in London in 2010

- h. another compilation of works by different authors with the title “Outstanding plays” published in Chicago in 2011
