CHAP. 747.—An Act To authorize Washington and Westmoreland counties in the State of Pennsylvania to construct and maintain a bridge across the Monongahela River, in the State of Pennsylvania.

[Public, No. 108.]

Monongahela River.
Washington and
Westmoreland coun-
ties, Pa., may bridge.

Location.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That Washington County and Westmoreland County, Pennsylvania, be, and they are, jointly, authorized, pursuant to the laws of said State, to construct, maintain, and operate a county bridge across the Monongahela River between points in Carroll Township, Washington County, at or near the borough of Donora, as it would seem best, to a point in Rostraver Township, Westmoreland County, at or near the village of Webster. The said bridge, when built in accordance with the requirements of this Act, shall be a legal structure, and may be used for either or both railroad purposes or as a highway for the passage of persons, vehicles, and passenger cars.

Secretary of War to
approve plans, etc.

SEC. 2. That the bridge authorized to be constructed under this Act shall be located and built under and subject to such requirements for the security of navigation of said river as the Secretary of War shall prescribe; and to secure that object the said Washington and Westmoreland counties shall submit to the Secretary of War, for his examination and approval, a design and drawing for the bridge and a map of the location, giving for a space of one mile the depth and current of the river at all points, and the location of any other bridge or bridges, together with all other information touching said bridge and river as may be requisite for the Secretary of War to determine whether said bridge, when built, will conform to the provisions of this Act and cause no serious obstruction to the navigation of the river or injuriously affect the flow of water.
